| Full Size           | <b>E</b> | \$229                  | \$280                |                 |
| Crossover           | <b>F</b> | \$269                  | \$330                |                 |
| Minivan             | <b>V</b> | \$299                  | \$370                |                 |
| Sport Utility 4x4   | <b>W</b> | \$309                  | \$380                |                 |
| Suburban            | <b>Z</b> | \$360                  | \$440                |                 |

This is an alternative means of transportation, designed for guests, who do not need a vehicle while in Whistler.

## BENEFITS OF A ROUND TRIP SPECIAL

- Two separate one-way rentals means no parking fees while in Whistler
- Allows customer to arrive and depart on their own schedule
- Provides a means to do errands upon arrival such as groceries, lift passes, etc

### Optional Coverage

|                                    |                           |
